	Councillors discussed whether activities should be arranged for the October half-term and were informed that the holidays would now only be of one week's duration. After a lengthy discussion, it was agreed that the playscheme should be put on hold due to safety concerns relating to the COVID-19 pandemic. It was hoped that the playscheme would run as normal the following year, including the potential for additional events, eg Easter holidays etc. It was also suggested that an enhanced gift could be given to the children of the ward at the Christmas event, if that were to go ahead. The full Council would now need to consider what to do with the money that had been budgeted for the playscheme.
